

# Kooptech® WD110/60, WD230/50

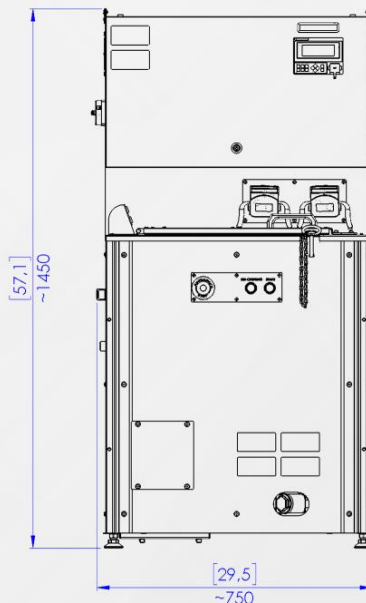

- Fast, reliable washing & drying, at low temperature
- Duration of full cycle:  
washing + drying = approx. 4.5 min
- More than 13 cycles per hour
- 3D glasses are loaded into a Washer-Dryer in Kooptech® 3D glasses Baskets
- Kooptech® Washer-Dryer can be used various types of 3D glasses
- Various supply voltage options available
- Certificates
